

St. Patrick's and Calvary Cemeteries, Brockton, Massachusetts

Headstone Inscriptions (Received by TIARA in 2007)

This project is dedicated to Saint Patrick's Church of Brockton, Massachusetts on its one hundred fiftieth anniversary of serving to the spiritual needs of its parishioners.

Seventy-two headstones contained inscriptions at St. Patrick's Cemetery and one at Calvary Cemetery. The information varies on each stone. Among the identifying information are counties, townlands, parishes, towns, dates of birth and death.

The spelling is presented as written on the headstone. If I knew of a misspelling, I put the correct spelling in [] or noted by sp. If underlined it denotes a guess. The maps provided for St. Patrick's Cemetery are very crude, but do give a general idea of where the plot is located. A map for Calvary is also provided. The actual plot maps are at St. Patrick's Rectory.

To find some unreadable dates of death on the headstones, I went to the Massachusetts State Archives in Boston and researched their records. The index identifies all the people mentioned on each headstone and the number in this document where they can be found.
